

ASU Prep Overview

May 2017

ASU Prep Mission

Our mission is to transform learners into innovative leaders and problem solvers.

Through premium learning environments and an integrated k-20 learning continuum, we will prepare all of our students for success in college and their preferred careers.

ASU Prep Objectives

The U.S. has the lowest income mobility through education of any developed nation. We must act now.

We must create powerful learning environments that adapt to the communities we are serving

We must bring innovation and opportunity to more students

We must improve college attainment rates
