

Oceanway Middle School

Building a Culture of Success
Through Clubs

Improving Student Outcomes

Clubs Foster Success and Attendance

Oceanway Middle School's afterschool clubs enhance student academic performance and attendance by promoting a culture of connectedness, encouraging full potential, and developing positive relationships among peers.

Key Benefits

Celebrating Student Growth and Success

ACADEMIC IMPROVEMENT

Engaging in clubs significantly enhances academic performance through hands-on learning experiences and collaborative projects.

INCREASED ATTENDANCE

Students are more motivated to attend school regularly, contributing to higher attendance rates and improved engagement.

STRONGER BELONGING

Clubs foster a sense of community and belonging, promoting positive peer relationships and leadership opportunities among students.

STE²A²M² Clubs

ROBOTICS

Students engage in **hands-on projects** and competitions.

CODING

Members learn programming languages to **create applications**.

ENTREPRENEURSHIP

Students develop business ideas through **innovative thinking**.

ARTS

Creativity flourishes through various art projects.

GARDENING

Members **transform** kitchen waste into fresh food.

Supporting the Whole Child

Encouraging Full Potential and Relationships

FULL POTENTIAL

Afterschool clubs empower students to **explore diverse interests**, fostering critical skills and knowledge that enhance academic performance and personal growth in a supportive environment.

POSITIVE RELATIONSHIPS

By participating in clubs, students build **meaningful connections** with peers and mentors, cultivating a sense of belonging that enriches their middle school experience and encourages collaboration.

Club Activities in Action

Club Expectations

Standards for Student Participation

MAINTAINING GRADES

Students must keep their grades up to participate, fostering a commitment to academic success and responsibility.

POSITIVE BEHAVIOR

Upholding respectful behavior ensures a safe and supportive environment for all, promoting collaboration and friendship among peers.

CONSISTENT ATTENDANCE

Regular attendance in both clubs and classes encourages routine, accountability, and a strong connection to the school community.

Scheduling Flexibility

Supporting Diverse Student Interests

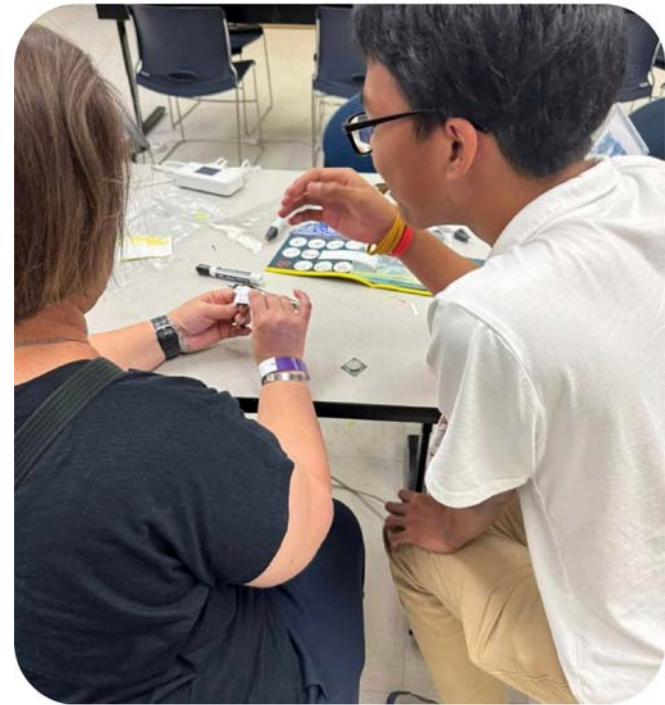

CLUB VARIETY

Clubs meet **Monday through Thursday**, allowing students to explore various interests without compromising their participation in band, which is held on **Tuesdays and Thursdays**.

INTEGRATED PRACTICES

This structure promotes a **balanced schedule**, enabling students to engage actively in clubs while maintaining commitment to band, fostering a stronger sense of community and academic motivation.

Student Leadership in Action

Building **strong connections** among students enhances collaboration, fosters friendships, and creates a supportive environment, all of which are essential for academic success and well-being.
