

Welcome to **SENDERO**

School of Academics and Career Preparation

**Welcome to a school designed to reimagine education
and elevate student success**

-Sendero: where futures are forged.

School of Academics and Career Preparation

Vision & Mission

OUR VISION

Empowering students through purpose, personalized pathways, community engagement, and real-world learning, preparing them for success in both their careers and life.

Guiding Every Step

OUR MISSION

Prepare students both academically and personally through tailored learning experiences that foster individual growth, while equipping them with the skills and mindset necessary for real-world success.

Core Values

What Drives us

- NON-TRADITIONAL EDUCATION
- CONNECTING STUDENTS TO THE COMMUNITY
- LIFE-READY SKILLS

We embrace challenges as opportunities for growth, engage every student consistently, and partner with families and the community to champion success beyond academics.

Our Culture

Rooted in Relevance

At Sendero, our culture reflects what matters most:

- **Personalized learning that meets each student's strengths**
- Career-oriented education with real-world application
- **Community-focused partnerships that shape opportunity**
- Inclusive & diverse environment where every student belongs

EDUCATION EVOLVED

- **4-day weeks**
- **Project-Based Learning**
- **Career-Aligned Programs of Study**
- **Real-world work experience**

This is Sendero—

WHERE RELEVANCE MEETS RIGOR

Our Impact

Transforming Trajectories

At Sendero, we don't just educate—we aim to change lives.

- **Students build life-ready skills, not just transcripts**
- **We connect learning to real-world careers**
- **Graduates leave with confidence, purpose, and direction**
- **We partner with families and businesses to amplify outcomes**

Purpose & Promise

Empowerment in Action

Empowering students through collaboration, skill-building, and emotional support.

Project-Based Learning at Sendero

At Sendero, learning comes to life through Project-Based Learning (PBL). Students tackle authentic challenges, collaborate with peers, and create real solutions that matter. Every project builds critical thinking, communication, and leadership skills—essential for college, career, and life.

Vision into Action

Why PBL Matters

Increases engagement and ownership of learning.

Builds life-ready skills like problem-solving and collaboration.

Connects academic content to career pathways.

At Sendero, relevance meets rigor—every day.

Career Technical Education

Our CTE pathways empower students to explore industries, gain certifications, and build portfolios that open doors after graduation. Sendero students graduate with both a diploma and a plan.

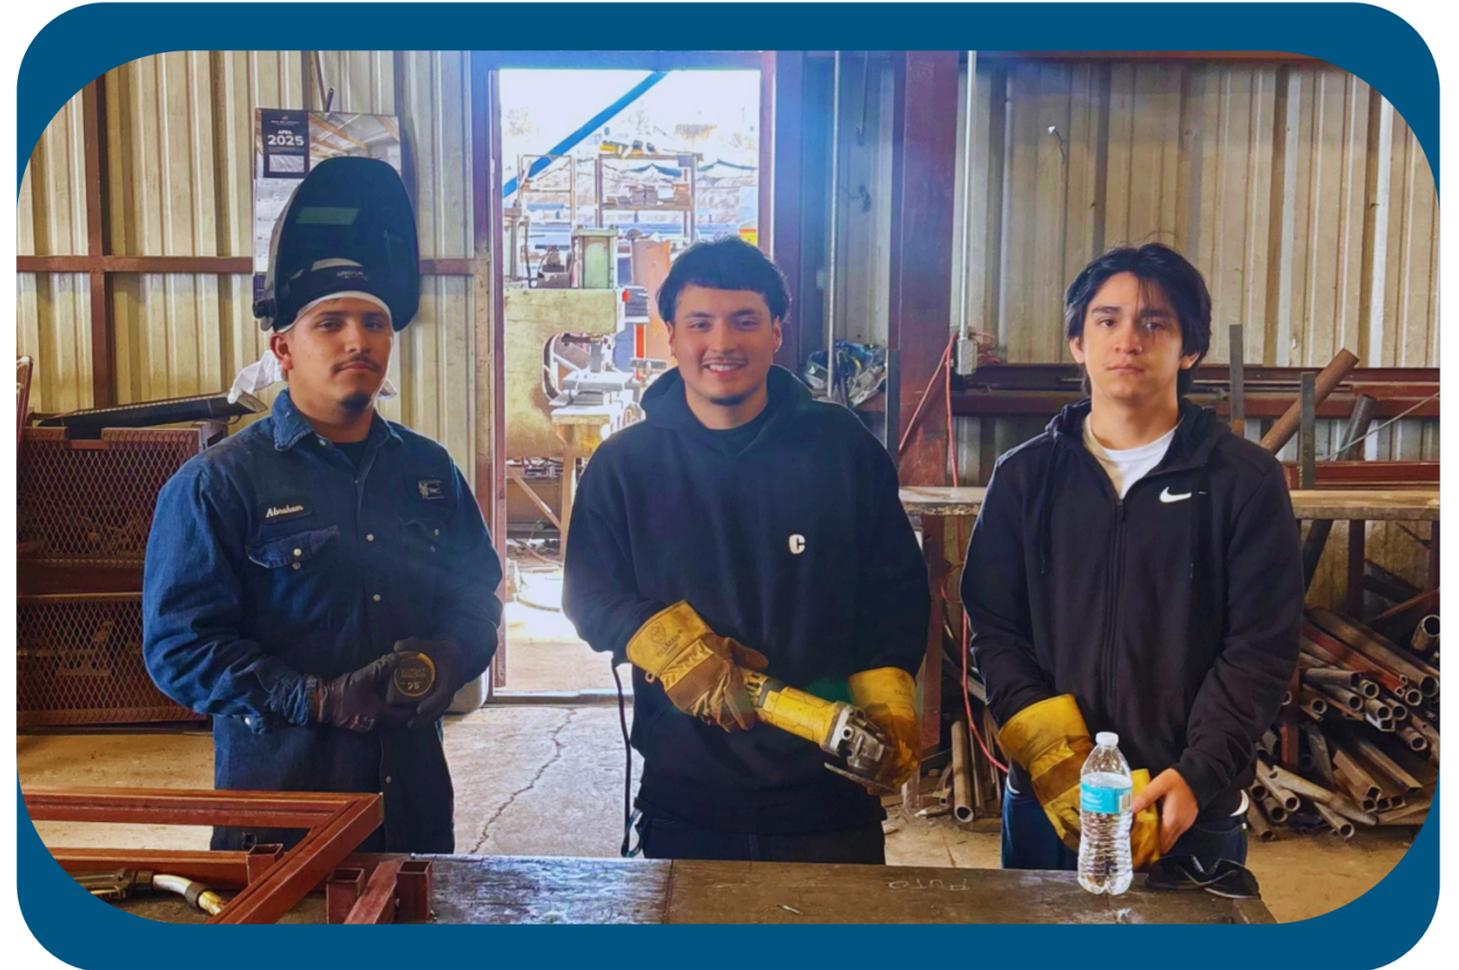

CTE Program Highlights

Sendero students are career-ready and life-ready.

- Industry-aligned curriculum
- Hands-on experiences
- Internships and job shadowing
- Industry-recognized certifications

CONNECTING PBL & CTE

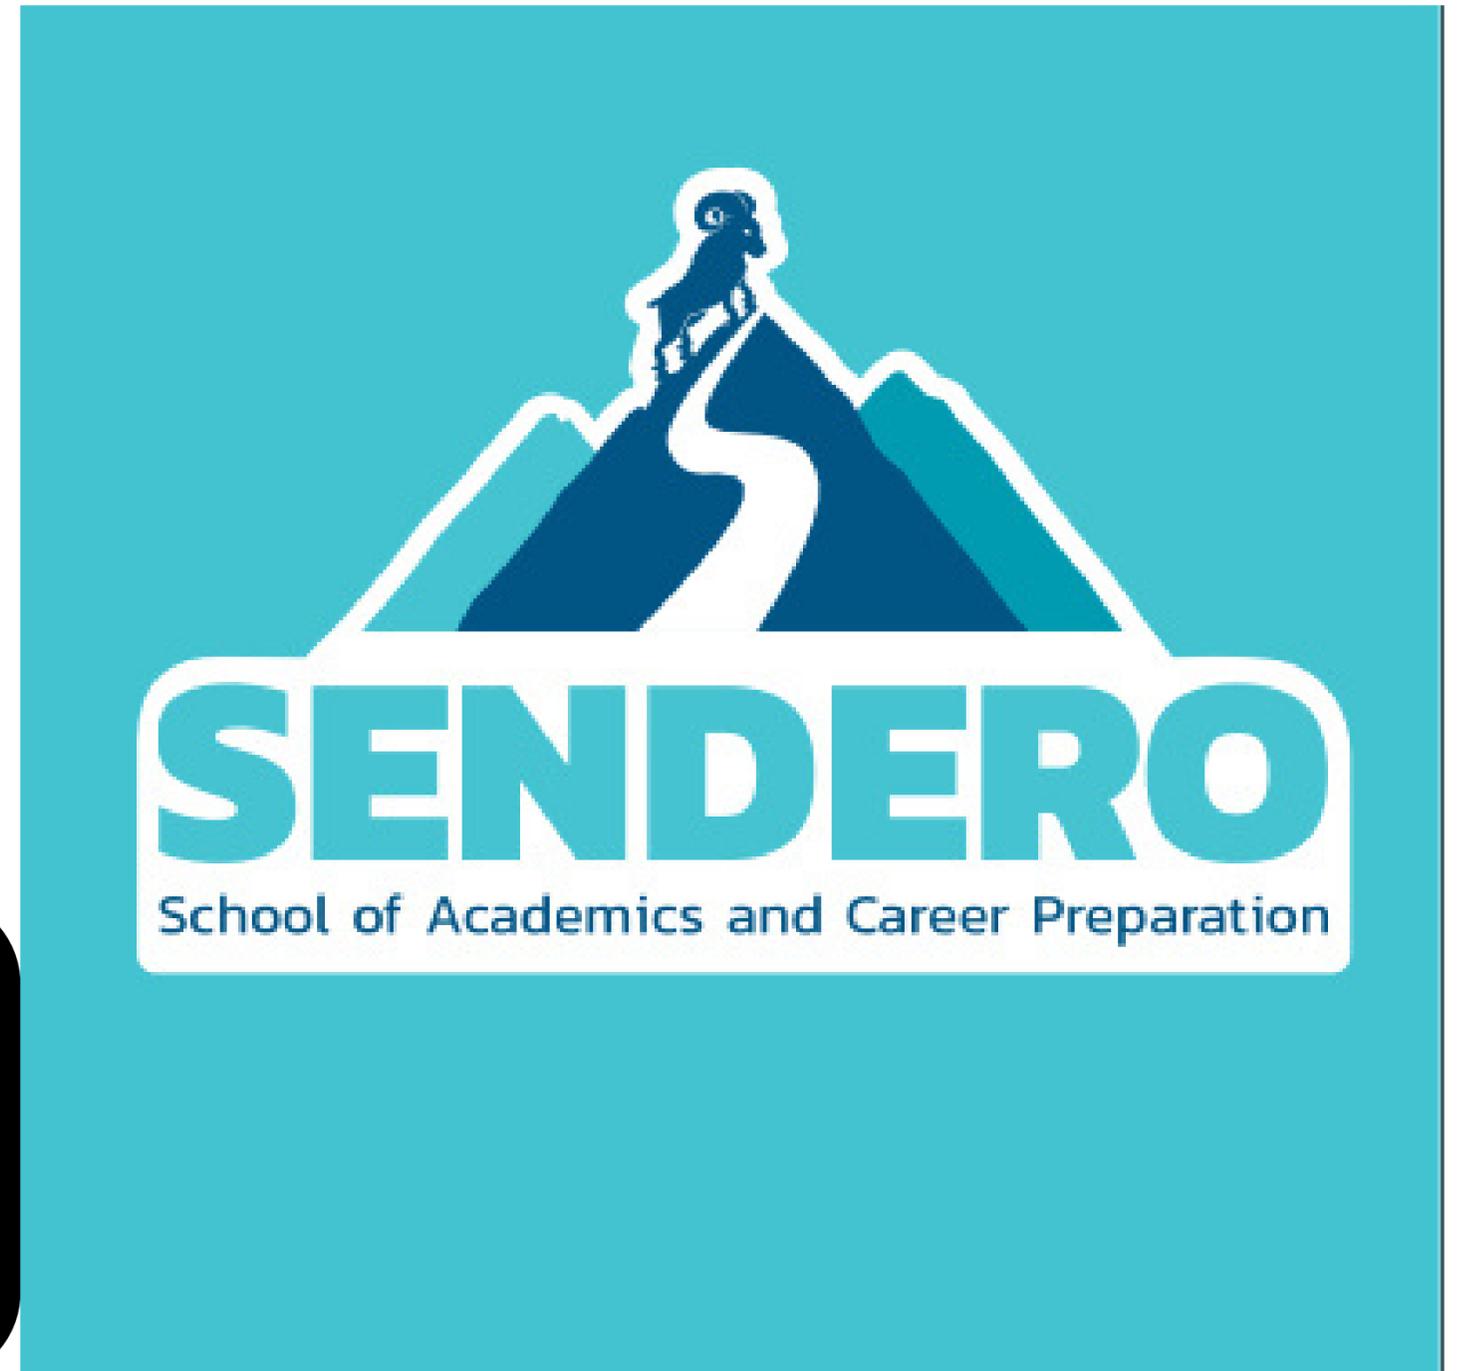

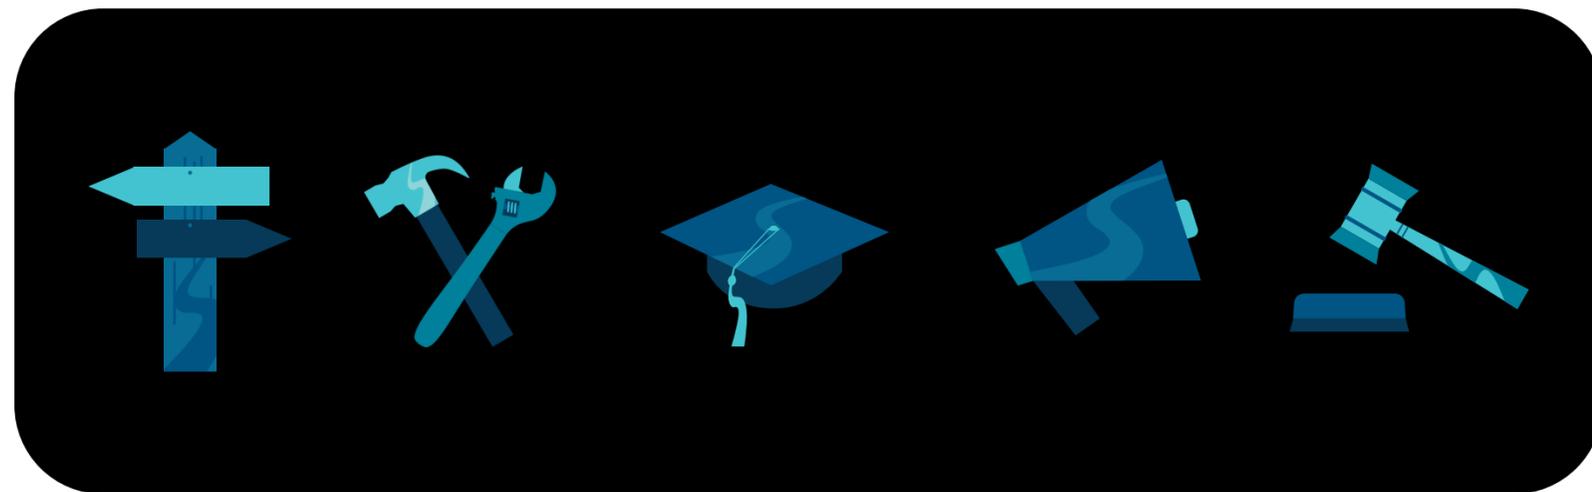

At Sendero, PBL and CTE are not separate tracks—they work together. Students solve industry challenges through projects, deepening both academic knowledge and technical expertise.

LET'S BLAZE THE TRAIL TOGETHER

Personalized Pathways

Every Sendero student designs their journey. Whether pursuing college, career, or entrepreneurship, our flexible pathways honor students' ambitions and support their growth.

COMMUNITY PARTNERSHIPS

Sendero connects learning to the local economy through strong business and community partnerships. Internships, mentorships, and service projects extend student learning beyond school walls.

Empowerment Through Authentic Learning

At Sendero, students are empowered through real experiences, collaborative projects, and skill-building that prepares them for what's next. Empowerment isn't a slogan—it's the **Sendero way**.
